

# Take A Stand Award

The **Take A Stand Award** recognizes a Maine citizen of any age who, at considerable personal risk, takes a public stand against a situation, person, or action in which another person's rights or personal integrity were being denied. Such action need not have been grandiose. It need only have demonstrated a courageous determination to speak out against the denial of fair and unprejudiced treatment of a fellow human being, lest such abuse feed and grow strong on the silence of bystanders. "All that is necessary for evil to triumph in the world is for enough good people to do nothing."

I think I've found the recipient of the "Take A Stand Award."
